FORWARD

MUSIC IS ONE OF THE FAIREST AND MOST
GLORIOUS GIFTS OF GOD, TO WHICH
SATAN IS A BITTER ENEMY, FOR IT REMOVES
FROM THE HEART THE WEIGHT OF SORROW
AND THE FASCINATION OF EVIL THOUGHTS.

- Luther

WE LOVE MUSIC FOR THE BURIED HOPES, THE
GARNERED MEMORIES, THE TENDER FEELINGS
IT CAN SUMMON AT A TOUCH.

- L.E.Landon

MUSIC IS THE ONLY ART WE WILL TAKE FROM
EARTH TO HEAVEN.

- R.G.Lee

DEDICATION

"But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance." Galatians 5:22. You must add to the list ability, training, sincerity, devotion and high ideals in music in order to be truly descriptive.

His music is an inspiration and a blessing. His piano is a tool for musical expression and interpretation of his soul. "Music resembles poetry: in each are numerous graces which no methods teach, and which a master hand alone can reach." Though an artist in his own field, he is never too busy to coach a young musician needing help. His personal word of encouragement to the distressed causes one to join him in echoing his favorite scripture, Psalm 103:1,2: "Bless the Lord, O my soul: and all that is within me, bless his holy name. Bless the Lord, O my soul, and forget not all his benefits."

It is with hearts of deep appreciation and love that this 1959 Kansas City Youth For Christ annual, the CONQUEROR, is dedicated to

SENIORS

Thou therefore, my son, be strong in the grace that is in Christ Jesus. And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. Thou therefore endure hardness, as a good soldier of Jesus Christ. No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier. And if a man also strive for masteries, yet is he not crowned, except he strive lawfully. The husbandman that laboureth must be first partaker of the fruits.

The thirty-minute programs were sharp. The announcement skits were hilarious. The Shawnee Mission club can truly be called enthusiastic. The runner-up quiz team is an example of the extensive participation of these clubs in all of YFC activities.

Each week at the end of club, resident Chuck Adams reminded everyone of the "obligation". Programing Vice President, Margaret Johnson, was always able to pay the \$5.00, usually in pennies, nickles, and dimes. Everyone helped.

When the invitation is given and a seeker comes forward to the prayer and counsel room, he is introduced to a trained counselor by a YFC director.

In the quiet of the prayer room the counselor uses his Bible to answer the seeker's questions and to explain the plan of salvation.

After the plan of salvation has been thoroughly explained and the seeker has reached the point of comprehension, both the seeker and the counselor kneel to pray. The seeker definitely asks the Lord Jesus to be his Savior.

The counselor at the desk asks leading questions to draw out of this new Christian his first testimony. His decision is recorded and he is given a leaflet explaining the decision he has made.

Before the new Christian is accompanied back to the auditorium, the counselor explains the first booklet in the spiritual guidance follow-up course.

The follow-up program of sending spiritual guidance materials to the new christians has been under the direction of "Vonnies" Philgreen. She has worked together with a group of girls from the Youth For Christ Collegiate Club.

Emma Daughstine is seen using her Bible to correct a lesson.

The original copy of the decision form is kept in the follow-up office. Here Ruth Ramsey is recording the progress of a new Christian.

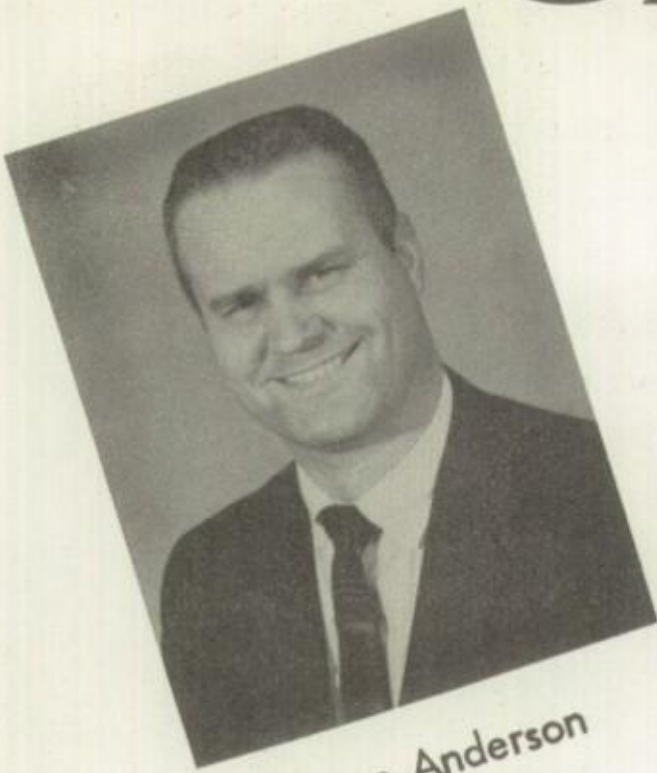

Marilyn Marshall finds stuffing, sealing and stamping envelopes an opportunity of Christian service.

MIRACLE YEAR

The very inception of Kansas City Youth For Christ was a miracle of God. People said it would not work. They said that it had been tried before and failed. Later on, they said it would not last. Youth For Christ International is celebrating its 15th year of miracles. A miracle is an event or action that apparently contradicts known scientific laws and is hence thought to be due to supernatural causes or an act of God. This explains Youth For Christ. When you witness the changed life of a teenager who has found Christ in a YFC meeting; when you see some of the tremendous victories of the past; when you see the vision of the future, you will agree that Youth For Christ is a miracle and that this is "MIRACLE YEAR."

YOU AND YOUR COUNTRY Monday, December 28, 1959

The Honorable Frank Carlson, Senator from Kansas and General Chairman of the Convention, will introduce national leaders who will show you how vital today's teenagers are to your nation's future. Exciting group discussions will give you the opportunity to discover the real meaning of citizenship!

YOU AND YOUR TOMORROW Wednesday, December 30, 1959

Never before have teenagers faced a future so challenging and yet so demanding. Your tomorrow will fall into sharp focus and take on new meaning as you hear Billy Graham and participate in practical "Do It Yourself" sessions. Teen problems—your problems—will be discussed by youth leaders who know the answers. You will discover that tomorrow is yours and return home with a new sense of value and achievement.

YOU AND YOUR WORLD Tuesday, December 29, 1959

As the population of the world increases teenagers are becoming more important. Dr. Bob Pierce knows as few men do the Communist enemy we face — and the potential today's youth have for defeating him! You will thrill to a new global understanding of your place on the world scene. Group seminars will increase your understanding of world problems, too.

kansas city *Youth For Christ*

Pictured below is the architect's drawing of the Memorial Dormitory. It is planned to be the next big surge forward in the ministry of teenage evangelism by Kansas City Youth for Christ. The Memorial Dorm has been a dream since our move to 4715 Rainbow three years ago.

Great numbers of teenagers are being saved through Youth for Christ; however, we feel a responsibility to help these new Christians more than can be done in a once-a-week club meeting or a Saturday night rally. They need to be taught how to pray, how to have a quiet time, and how to cope with the many problems they face daily. Through the years we have found this can be best accomplished through weekend camps and conferences. Personal guidance in this atmosphere helps them get started right. The 2½ acre site is beautifully wooded on the East. The main headquarters building is equipped with a fine kitchen and many other facilities. The only hindrance to an extensive weekend conference program is the lack of housing facilities. With this dormitory we will be able to have about fifty teenagers for a conference each weekend during the school year.

Eighteen hundred teenagers will benefit from this new department annually. The groups will be small enough for individual counselling. This dorm would provide a place to house the men attending the Youth for Christ International Directors' School. They will be here three times a year for two weeks. This building will also house the photographic and literature divisions of Kansas City Youth for Christ. It will be a busy place!

The plan is to break ground in June. The structure will be completed during July and August to be ready for use September 1. Most of the work will be done with volunteer labor. Building materials will be approximately \$20,000.

The name "Memorial Dormitory" was suggested by several friends who would like to invest in it in memory of loved ones or friends. A few gifts like this have already been promised. A bronze plaque will be placed on a door for each \$500 gift. Gifts of \$100 or more will result in the name being engraved on one large plaque to be mounted in the parlor.

If you want more details, please call or write Rev. Al Metsker, 4715 Rainbow, Kansas City 3, Kansas. SK 1-1700.
